Sweetwater Events Complex Announces Aussie Kingdom at the 2022 Wyoming's Big Show

Rock Springs, Wyoming – Experience the land “Down Under” this year at Wyoming’s Big Show! Join trainer Carolyn Lantz for an opportunity to interact with several different species of marsupials (pouched animals) such as kangaroos, wallabies, walleroos. Also offered are other native Australian wildlife including lizards and birds such as the kookaburra, rainbow lorikeet, and bearded and frill dragons.

“I think we are more likely to preserve what we know,” says Lantz, “I truly enjoy showing these animals and helping to educate people on just how unique they are.”

See, touch, and hear stories behind these captivating creatures during three shows performed daily. As you wander throughout the educational and interactive areas, visitors to the fair will learn about native Australian art, musical instruments, and other animals found only in Australia! Aussie Kingdom offers this opportunity of a lifetime, along with an ongoing display of the animals throughout the day.

Aussie Kingdom is the only traveling Australian Animal Show in the United States and Canada. Guests to Wyoming’s Big Show can enjoy an educational show and visit their educational and interactive area each day of the fair. Wyoming’s Big Show entertainment runs from August 2 thru August 6, 2022 and includes main stage concerts with Mitchell Tenpenny, Little River Band, Ian Munsick, Hairball, and The Band Perry.
